Certus Pest Inc. Continues Southwest Florida Expansion with Acquisition of Stat Pest Control in Fort Myers

Fort Myers, FL (May 21, 2024) – Certus Pest Inc., a leading national pest control provider, today announced the acquisition of Stat Pest Control, a trusted pest control company serving Fort Myers and surrounding areas in Southwest Florida. This strategic acquisition strengthens Certus' foothold in the Florida market and presents exciting opportunities for continued growth.

“Stat Pest Control’s strong reputation for customer service and its established presence in Fort Myers perfectly complements Certus’ commitment to exceptional service and strategic expansion plans,” said Dave Bradford, CEO of Certus Pest Inc. “This acquisition allows us to develop route density and improve operational productivity in the region, ultimately benefiting both our customers and employees.”

The acquisition of Stat Pest Control aligns with Certus' long-term strategy to expand its service offerings and geographic reach in densely populated areas like Fort Myers. Florida's warm climate creates a year-round demand for pest control solutions, making it an ideal market for Certus' continued organic growth.
